PRIYA SHUKLA

Kanpur, India | +91 9236348986 | priyashukla2594@gmail.com | **LinkedIn**: priyashukla2594 | **GitHub**: priyashukla2594
| **Portfolio**: priya.rohitshukla.net | **HackerRank**: hackerrank.com/priyashukla2594

SUMMARY

Computer Science graduate with 3+ months of professional software development experience, including current role as **Associate Software Developer**. Proficient in **JavaScript**, **Python**, **Java**, and **full-stack** web development. Successfully contributed to enterprise applications including Student Management System, **College ERP**, and **HR management solutions** through collaborative agile practices. Seeking Developer I position to leverage proven technical skills and continue advancing within dynamic development environments.

WORK EXPERIENCE

Associate Software Developer | **Innovaneers Technologies** | **Aug 2025 – Present**

- Promoted from intern to full-time; led development of Employee Leave Management System for 500+ users with role-based access control.
- Designed and implemented RESTful API infrastructure (**1000+** daily requests, **99.9%** uptime) and optimized database queries, improving response time by **35%**.

Software Developer Intern | **Innovaneers Technologies** | **June 2025 – August 2025**
- Developed Student Management System and College ERP using HTML5, CSS3, JavaScript, Java; improved mobile compatibility by 40%
- Collaborated in agile sprints, conducted unit testing, code reviews, and database optimization across SDLC

TECHNICAL SKILLS
Programming: JavaScript, Python, C, Java | **Frontend**: HTML5, CSS3, React.js, Responsive Design
Backend: Node.js, RESTful APIs | **Database**: MySQL, SQL Server | **Version Control**: Git, GitHub
Testing: Unit Testing, Test-Driven Development | **Tools**: VS Code, Chrome DevTools
OS: Windows | **Methodologies**: Agile Development, Scrum

PROJECT
Employee Leave Management System | React.js, Node.js, Express.js, PostgreSQL, JWT, Chart.js **| GitHub:**
github.com/priyashukla2594/employee-leave-system

- Built HR management system with role-based access, JWT authentication, and multi-level approval workflows for 3 user types (Employee + Manager + HR)
- Developed interactive dashboards with data visualization and RESTful API architecture (25+ endpoints) for CRUD operations

Personal Portfolio Website | HTML5, CSS3, JavaScript, React.js, Node.js, MySQL **| GitHub:**
github.com/priyashukla2594/portfolio
- Built responsive portfolio with React.js components, MySQL integration, and Node.js backend contact form
- Optimized performance and deployed with cross-browser compatibility and mobile responsiveness

EDUCATION
Bachelor of Computer Applications (BCA) | Axis Colleges | June 2025
Relevant Coursework: Software Engineering, Data Structures, Algorithms, Database Management, Web Development

Intermediate (10+2) | Kamaksha Kamadgiri Inter College | June 2022

ADDITIONAL INFORMATION
Languages: Hindi (Native), English (Professional) | **DOB**: February 04, 2006 | **Nationality**: Indian
